Students should select courses for eight credits. All courses earn 1 credit unless otherwise noted. Fall schedule changes are allowed for errors and prerequisite requirements. *Elective choices made in the spring are final.* To solve schedule conflicts, *counselors may substitute* an alternative choice for an elective. Due to overloaded class size, counselors cannot accommodate teacher change requests, "change of mind" requests or lunch preferences. Possible reasons for a schedule change:

1. Student has already earned credit for the class in which he or she is enrolled.
2. The student has not met a prerequisite for the course.
3. ARD committee decision
