

another great product by  raptor technologies

Dear Parents:

We would like to introduce you to a new system our school has acquired to help protect your children – it's called V-Soft. V-Soft helps track visitors, students, faculty, contractors and volunteers at our school, thus providing a safer more monitored environment for the students.

When visitors, volunteers or contractors check-in, or parents come to pick up students, they will be asked to present a valid state issued ID for entering into the system. The system has the ability to provide alerts on people who may jeopardize the safety of the campus.

We feel certain this will help us keep our campus a little safer, and ask for your cooperation in presenting your valid state issued ID when checking in at the school. Initially we are asking parents to leave their visitor sticker with the receptionist when they check out at the front office so we can keep a hard copy as a back up system in the event of our computers being down.

Thank you in advance for your help in this matter.

Sincerely,

Linda Payne  
Principal  
Owens Elementary
