## About Our Camp:

The goal of our camp is to provide area youth the opportunity to learn fundamentals in association with the game of basketball. Rather than just teach our campers drills, we aim to teach our campers skills they can take home and mature. We strive to give each camper the tools to build on their game.

Our camp also provides the coaches an opportunity to meet Tyler area youth and future Red Raider prospects. Our camps are intense and thorough, intended for the serious learners. We provide a safe, and enthusiastic environment for your son to enhance his game. We look forward to seeing you at camp!
