MIDDLE SCHOOL

1300 Hubbard Drive · Tyler, Texas 75703 · 903/262-1560 · FAX: 903/262-1566 Anissa Kiener - Principal

Dear Students,

Veteran's Day will be celebrated on November 11, 2009. We are planning a very special tribute to our veterans and active military personnel. Please help us make this day special.

Veteran's Day was first called Armistice Day and was created to celebrate the end of the "war to end all wars" which was World War I or The Great War. On the 11th day of the 11th month at the 11th hour the armistice was signed to end that horrid war. Armistice Day was created to remember the sacrifices of men and women and was later declared a federal holiday and in the 1950's was renamed Veteran's Day to honor all sacrifices made by all of our Veteran's.

Hubbard would love to honor your special loved veteran and active military personnel by inviting them to a reception in their honor and also to a flag ceremony. What we need for you to do is to invite your family member or close friend who is a veteran or on active duty. You will escort them to our breakfast reception and accompany them to the flag ceremony. We encourage them to wear their uniform if possible.

You will need to give this attached invitation to your veteran or active military personnel and then return the form to your Advisory teacher before November 6, 2009. If you bring a Veteran or active military personnel to school, then you are to come with them to the reception and ceremony. Thanks for your support, and we look forward to honoring your special veteran or active military personnel.

Veteran's Day Reception
Wednesday, November 11th
8:00 AM
Hubbard Library

Dear Veteran/Active Military Personnel,

We hope that you will be able to attend our breakfast reception and ceremony honoring you. If you can attend, would you please have your student return this to us by November 6th.
