Frog life cycle

CLASS GOAL

Our class goal is to have zero tardies for one week!

It's easy....arrive in the classroom by 8:00.

A Word From Mrs. Newman

Concerning Field Day: We will not have the TJC football players assisting with Field Day this year. However, we will have Boys and Girl's Club teachers assistingbut, there isn't enough of them to cover all events. *So, we need several parents to assist our class with each event. Please let me know if we can count on you.*

Please contact me this week if you would like to have an end of the year conference. With busy schedules, I realize many of you are unable to attend a conference; therefore, I'm available for an in-person conference or phone conference. Otherwise, I will send the conference form home for you to sign and return to me.
