

## TRAFFIC PLAN FOR STUDENT DROP OFF AND DISMISSAL

### Please help us keep our Gators safe!

- All car traffic will enter via Three Lakes Pkwy and follow the parking loop to the right.
- Please pull up as far as possible to drop off and pick up your child. The more students that are dropped off at the same time, the quicker the line will move.
- The left hand lane is for vehicles exiting the campus.
- Buses enter and load in the rear of the building—car traffic is not allowed.
- Students are not allowed on the premises of Fresh or Three Lakes Plaza Shopping Center.
