EARLY COLLEGE HIGH SCHOOL:

Tyler ISD Early College High School is created in collaboration with Tyler Junior College and Tyler ISD which offers TISD students another pathway to college and career readiness.

Early College High Schools blend high school and college curricula simultaneously to give students the opportunity to earn up to two years of college credit (60 hours) and an Associate Degree while attending high school and earning a high school diploma. Early College High Schools make higher education more accessible and help students become more comfortable in a higher education environment.

MISSION STATEMENT:

The mission of Tyler ISD Early College High School is to provide all students with a quality education that blends high school and the first two years of college while exposing students to a rigorous curricula and relevant instruction that will produce graduates that will successfully perform in a globally competitive society.
