Legal Notice

Section 551.001(4)(B) of the Government Code

The Open Meetings Act, excludes from the definition of a meeting, “the attendance by a quorum of a governmental body at a regional, state, or national convention or workshop . . ., if formal action is not taken and any discussion of public business is incidental [to the workshop].”

This section permits members of a governmental body to participate in regional workshops held outside the governmental body's jurisdiction if the members do not take final action or deliberate regarding public business. Therefore, although board members are encouraged to ask questions during this workshop, the questions must be limited to clarification of the content of the workshop, not an attempt to obtain guidance or legal advice regarding circumstances specific to pending or future board matters.

Further, board members are cautioned not to discuss over meals or on the ride home anything that could be construed as deliberation of a current or future board action item. Attendance at this workshop does not relieve board members of their responsibility to ensure compliance with the Open Meetings Act.

Additional Guidance

For additional guidance regarding the Open Meetings Act, please consult the Open Meetings Handbook from the Office of the Attorney General at https://texasattorneygeneral.gov/files/og/OMA_handbook_2016.pdf and/or contact your Board’s legal counsel.
Workshop Details

Lone Star Governance Intention

The intention of Lone Star Governance is to provide a continuous improvement framework for governing teams (Boards in collaboration with their Superintendents) that choose and commit to intensively focus on one primary objective:

**Improving Student Outcomes.**

Lone Star Governance accomplishes this intense focus through tailored execution of the five points of the Texas Framework for School Board Development:

- Vision
- Accountability
- Structure
- Advocacy
- Unity

In addition to Lone Star’s singular focus on improving student outcomes, it provides a system for governing the secondary, but vital, legal and fiscal responsibilities of the Board.
Workshop Intention

The intention of the Lone Star Governance 2-Day Workshop is to create a supportive space in which governing teams can learn about and can prepare for the commitment to and intense focus on improving student outcomes as described by the Lone Star Governance implementation integrity instrument.

As a result of participating in the workshop, Board Members and Superintendents will be able to:

1. Distinguish between inputs, outputs and outcomes
2. Effectively monitor student outcomes
3. Distinguish between program/project evaluation and performance evaluation
4. Understand the concepts of student outcome goals and constraints
5. Effectively hold the Superintendent accountable for improving student outcomes
6. Draft a Lone Star Governance implementation timeline
7. Reveal Presence & Patterns
8. Reveal I As Genesis
9. Reveal Integrity As Access
Workshop Agenda

The workshop is a conversation about governance behaviors that improve student outcomes and it draws from governance-related research as well as promising practices from the participants’ respective experiences. The underlying belief is that leadership matters; that leaders’ choices have the power to be transformative in the lives of our students. The workshop is about governance behaviors that exemplify this belief.

<tr>
<th>Vision</th>
<th>Every child, prepared for success in college, a career or the military</th>
</tr>
</thead>
<tbody>
<tr>
<td>Mission</td>
<td>Improving outcomes for all students by providing leadership, guidance, and support to schools</td>
</tr>
<tr>
<td>Board’s Role</td>
<td>The Board will:</td>
</tr>
<tr>
<td></td>
<td>1. Ensure creation of a shared vision that promotes improved student outcomes. The Board shall accomplish this by incorporating the community's vision and values into student outcome goals, Superintendent constraints, and Board constraints.</td>
</tr>
<tr>
<td></td>
<td>2. Measure and communicate how well the vision is being accomplished. The Board shall accomplish this by collectively ensuring accountability through monthly monitoring of school system performance to ensure progress toward the vision and values and regular communications to the community.</td>
</tr>
<tr>
<td></td>
<td>3. Provide guidance and direction for accomplishing the vision. The Board shall accomplish this by creating structure for the school system through distinct Board and Superintendent roles and responsibilities, which includes selecting the Superintendent, delegating to the Superintendent the authority and responsibility to implement the Board’s goals within law and the Superintendent constraints, and considering and voting on the Superintendent’s recommendations.</td>
</tr>
<tr>
<td></td>
<td>4. Work with the superintendent to lead the school system toward the vision. The Board shall accomplish this by behaving in a manner that demonstrates the unity of the Board and the school system.</td>
</tr>
<tr>
<td></td>
<td>5. Promote the vision. The Board shall accomplish this by providing advocacy for students, families, staff, and stakeholders.</td>
</tr>
</tbody>
</table>

In carrying out the above activities, the Board shall at all times comply with the Education Code and other law, as applicable.
### Superintendent's Role

The Superintendent, as the Board's sole delegate (excluding the internal auditor) for managing school system operations, shall be responsible for accomplishing the Board's student outcome goals within the boundaries provided by the Board and Superintendent constraints and state and federal law.

State and federal law require board adoption of policies on a variety of topics. The Board's adopted policies in the school system's local policy manual constitute compliance with these legal requirements. In accordance with state law, the Superintendent shall be responsible for preparing recommendations for policies to be adopted by the Board, overseeing implementation of adopted policies, and developing appropriate administrative regulations. In recommending policy for Board adoption, the Superintendent shall identify when the Board is required to adopt policy or has statutory decision-making authority that cannot be delegated to the Superintendent. Required board policy addressing administrative issues shall be handled by consent agenda, with the Superintendent informing the Board of substantive changes. Any operational issues not required to be Board adopted shall be addressed in administrative regulations and the Board shall take necessary steps to remove such issues from all policies in the C-G Local Policy series.

### Board's Student Outcome Goals for the Superintendent

The Board's student outcome goals, as aligned with the school system vision, are:

1. Number of high performing campuses will increase from X to Y by Z
2. Percentage of students persisting in their second year post-secondary will increase from X% to Y% by Z
3. Percentage of graduates having completed an associate's degree and/or been awarded an industry certification by graduation will grow from X to Y by 2020

The Superintendent shall interpret and implement the Board's student outcome goals and, in consultation with the Board, select goal progress measures (GPMs) for each student outcome goal [see AE (exhibit)]. For any school year during which the Board's student outcome goals are not met, the Superintendent shall make reasonable progress toward meeting the student outcome goals.
### Board's Constraints for the Superintendent

In attaining the Board’s student outcome goals, the Superintendent shall not:

- Allow the number or percentage of students in low performing campuses to increase or remain the same
- Allow teacher/principal compensation or increases to be equal across a bell curve of teacher/principal performance
- Allow teachers or principals in the bottom two quartiles of performance to serve in low performing campuses.

The school system will pursue a System of Great Schools theory of action where central administration devolves autonomy to schools, empowers parents to make choices, creates performance contracts with campuses, annually evaluates performance of and demand for schools, and makes strategic decisions regarding growing access to high performing schools and addressing low performers. Campus performance contracts will require the campus to accomplish the Board’s student outcome goals while operating within the Board’s other constraints.

The Superintendent shall interpret the Superintendent constraints and, in consultation with the Board, select constraint progress measures (CPMs) for each constraint [see AE (EXHIBIT)].

<table>
<thead>
<tr>
<th>Board's Constraints for the Board</th>
<th>The Board shall operate within the Board’s role, as defined above, and the Board’s operating procedures. The Board, either collectively or through the actions of individual Board Members, shall not:</th>
</tr>
</thead>
</table>
|  | • Modify this policy, AE (local), more than once per year  
|  | • Perform or appear to perform any of the responsibilities delegated to the Superintendent  
|  | • Violate this or any other Board-adopted policy or Board operating procedures |

| Board Self Evaluation | The Board shall conduct formative self-evaluations at least quarterly and, within 45 days prior to conducting the annual Superintendent evaluation, an annual summative evaluation. The Board shall self-evaluate using the Quarterly Progress Tracker found at the end of the Lone Star Governance implementation integrity instrument. |

| Superintendent Evaluation | The Board shall annually evaluate the Superintendent based on the school system’s achievement of the Board’s student outcome goals and compliance with the Superintendent constraints. Accomplishment of at least 80 percent of either the student outcome goals' or adopted progress measures' (GPMs and CPMs) annual targets shall be an automatic indicator of success; below that threshold, the Board’s judgment shall be the indicator of success. |
SAMPLE AE (exhibit)

This is not intended to be copied and pasted. This is only intended as one example of what a revised AE (exhibit) could look like. For shorthand below, X represents baselines, Y represents targets, and Z represents deadlines.

Sample Student Outcome Goals & Goal Progress Measures

G1. Number of high performing campuses will increase from X to Y by Z

- **Goal 1 Annual Targets:** SY17/18=A%, SY18/19=B%, SY19/20=C%, SY20/21=D%, SY21/22=E%

- **GPM 1.1:** Percentage of students in non-high performing campuses who demonstrate master grade level performance on STAAR-aligned school system literacy and numeracy benchmarks will increase from X% to Y% by Z
  - **GPM 1.1 Annual Targets:** SY17/18=A%, SY18/19=B%, SY19/20=C%

- **GPM 1.2:** Number of students voluntarily transferring from a low performing campus to a high performing campus will increase from X to Y by Z
  - **GPM 1.2 Annual Targets:** SY17/18=A, SY18/19=B, SY19/20=C

- **GPM 1.3:** Percentage of students in non-high performing campuses who exceed the STAAR Progress Measure on STAAR-aligned school system formative assessments will increase from X% to Y% by Z
  - **GPM 1.3 Annual Targets:** SY17/18=A%, SY18/19=B%, SY19/20=C%

- **GPM 1.4:** Percentage of students at low performing campuses growing at least 1.5 grade levels per year will increase from X% to Y% by Z
  - **GPM 1.4 Annual Targets:** SY17/18=A%, SY18/19=B%, SY19/20=C%

- **GPM 1.5:** Percentage of the total student population at low performing HS campuses who scored a 3 or better on an AP course will increase from X% to Y% by Z
  - **GPM 1.5 Annual Targets:** SY17/18=A%, SY18/19=B%, SY19/20=C%
### Goal 2: Percentage of students persisting in their second year post-secondary will increase from X% to Y% by Z

- **Goal 2 Annual Targets:** SY17/18=A%, SY18/19=B%, SY19/20=C%, SY20/21=D%

- **GPM 2.1:** Percentage of students who score above the college readiness thresholds on the SAT / ACT / TSIA will increase from X% to Y% by Z
  - **GPM 2.1 Annual Targets:** SY17/18=A%, SY18/19=B%, SY19/20=C%

- **GPM 2.2:** Percentage of juniors and seniors who demonstrate above average "grittiness" on a nationally administered student survey will increase from X% to Y% by Z
  - **GPM 2.2 Annual Targets:** SY17/18=A%, SY18/19=B%, SY19/20=C%

- **GPM 2.3:** Percentage of juniors and seniors scoring 4 or higher on multiple AP tests or earning an A in multiple dual credit courses will increase from X% to Y% by Z
  - **GPM 2.3 Annual Targets:** SY17/18=A%, SY18/19=B%, SY19/20=C%

### Goal 3: Percentage of graduates having completed an associate's degree and/or been awarded an industry certification by graduation will grow from X to Y by 2020

- **Goal 3 Annual Targets:** SY17/18=A%, SY18/19=B%, SY19/20=C%, SY20/21=D%

- **GPM 3.1:** Percentage of students enrolled and on track in a coherent sequence of CTE courses that lead to an industry certification will increase from X% to Y% by Z
  - **GPM 3.1 Annual Targets:** SY17/18=A%, SY18/19=B%, SY19/20=C%

- **GPM 3.2:** Percentage of sophomores and juniors who have passed at least two college courses will increase from X% to Y% by Z
  - **GPM 3.2 Annual Targets:** SY17/18=A%, SY18/19=B%, SY19/20=C%

- **GPM 3.3:** Percentage of 7th-8th graders who have passed the Algebra EOC will increase from X% to Y% by Z
  - **GPM 3.3 Annual Targets:** SY17/18=A%, SY18/19=B%, SY19/20=C%
## Sample Constraints & Constraint Progress Measures

### C1. Do not allow the number or percentage of students in low performing campuses to increase or remain the same

- **CPM 1.1**: Percentage of IR3+ campuses restarted will increase from X to Y by Z
  - CPM 1.1 Annual Targets: SY17/18=A%, SY18/19=B%, SY19/20=C%

- **CPM 1.2**: Number of students in low performing campuses will decline from X to Y by Z
  - CPM 1.2 Annual Targets: SY17/18=A, SY18/19=B, SY19/20=C

### C2. Do not allow teacher/principal compensation or increases to be equal across a bell curve of teacher/principal performance

- **CPM 2.1**: Percentage of teachers and principals evaluated using multiple measures that include a value added model and student surveys will increase from X% to Y% by Z
  - CPM 2.1 Annual Targets: SY17/18=A%, SY18/19=B%, SY19/20=C%

- **CPM 2.2**: Number of teachers at the top tier of performance in their school system who earn a base salary of $90k/yr or more will increase from X to Y by Z
  - CPM 2.2 Annual Targets: SY17/18=A, SY18/19=B, SY19/20=C

### C3. Do not allow teachers or principals in the bottom two quartiles of performance to serve in low performing campuses.

- **CPM 3.1**: Percentage of principals at under performing schools whose evaluations, based in part on student performance, place them in the bottom half of all principals in the school system will decrease from X% to Y% by Z
  - CPM 3.1 Annual Targets: SY17/18=A%, SY18/19=B%, SY19/20=C%

- **CPM 3.2**: Percentage of teachers at under performing schools whose evaluations, based in part on student performance, place them in the bottom half of all teachers in the school system will decrease from X% to Y% by Z
  - CPM 3.2 Annual Targets: SY17/18=A%, SY18/19=B%, SY19/20=C%

- **CPM 3.3**: Percentage of 1st year principals or 1st year teachers at under performing campuses will decrease from X% to Y% by Z
  - CPM 3.3 Annual Targets: SY17/18=A%, SY18/19=B%, SY19/20=C%

</tbody>
</table>

The minimum recommended span for the Board's monitoring calendar is 24-36 months. Ideally, the Board's monitoring calendar spans across the Board's student outcome goals' 3 to 5 year deadlines.
Sample Student Outcome Goals, Constraints, & Progress Measures

These are not intended to be copied and pasted. They are only intended as examples of what goals, constraints, and/or their progress measures could look like. The items below are modified from actual School systems in Texas. For shorthand below, X represents baselines, Y represents targets, and Z represents deadlines.

**Student Outcome Goals & Goal Progress Measures**

- The percentage of students in grades K-2 who are reading on or above grade level on multiple measures will increase from X% to Y% by the end of school year Z.
- Percentage of students persisting in their second year post-secondary will increase from X% to Y% by Z
- Y% of entering kindergarten students will be school-ready on a multidimensional assessment by Z -- up from X%
- The percentage of students at low performing (D or F rated) campuses who meet or exceed standard will increase from X% to Y% by Z
- The percentage of students in grades 3-8 who meet standard on both reading and math STAAR will increase from X% to Y% by the end of school year Z
- The 4 year graduation rate will increase from X% for the graduation class of Z to Y% for the graduating class of ZZ.
- Y% of students will exhibit Satisfactory or above performance on State assessments, and students below Satisfactory performance will demonstrate more than 1 year of academic growth, up from X%, by Z
- The achievement gap by race, ethnicity and socioeconomic status will decline from X and be no greater than Y percentage points on all academic measures by Z
- Y% of students will graduate with qualifying scores for community college, college, military, or industry certification by Z, up from X%
- All entering kindergarten students will be school-ready on a multidimensional assessment by Z; X is the current percentage
- Y% of students, instead of the current X%, will participate in at least one extracurricular or co-curricular activity each year by Z
- Percentage of students who meet final level 2 on state exams will increase from X% to Y% by Z
- Percentage of students who meet the STAAR Progress Measure on the state exams will increase from X% to Y% by Z
Percentage of students who exceed the STAAR Progress Measure on state exams will increase from X% to Y% by Z.

Percentage of students who meet standard or exceeded the STAAR Progress Measure on state exams will increase from X% to Y% by Z.

Percentage of students who did not meet standard and did not Exceed STAAR Progress Measure on the state exams will decrease from X% to Y% by Z.

STARR gap on all tests between State’s non-Economically Disadvantaged and school system’s Economically Disadvantaged will decrease from X% to Y% by Z.

Percentage of the original 9th grade cohort of students who stay on track to graduate throughout their HS career will increase from X% to Y% by Z.

Percentage of graduates who have earned any one of the following: “college credit qualifying” score on the AP, SAT, ACT, TSI, or military ASVAB exams, or received an industry certification will increase from X% to Y% by Z.

Percentage of HS students (disaggregated for African American, Hispanic and economically disadvantaged groups) participating in AP, CTE courses/certifications and other rigorous courses will increase from X% to Y% by Z.

Percentage of kindergarten students who attended school system PreK classrooms who meet the “school ready” standard, disaggregated by school system-sponsored PreK programs, PreK programs operated by other entities and students who did not attend PreK will increase from X% to Y% by Z.

Percentage of students reading on or above grade level (iStation) will increase from X% to Y% by Z.

Percentage of students who did not meet Post-Secondary Ready (PSR) but exceeded one year’s growth in Reading will increase from X% to Y% by Z.

Percentage of students who did not meet PSR but exceeded one year’s growth in Writing will increase from X% to Y% by Z.

Percentage of students who did not meet PSR but exceeded one year’s growth in Math will increase from X% to Y% by Z.

Percentage of 12th graders demonstrating proficiency on a capstone project will increase from X% to Y% by Z.

Percentage of Distinguished Level Graduates will increase from X% to Y% by Z.

Percentage of high school students participating in community service will increase from X% to Y% by Z.

Percentage of annual graduates completing a 4th year of high school math will increase from X% to Y% by Z.

The NAEP gap between school system’s White and African American, Hispanic in 4th grade Reading Proficient will decrease from X% to Y% by Z.
Sample Constraints

- The Superintendent shall not allow the number of students in low performing (D or F rated) campuses to increase or remain the same.
- The Superintendent will not allow teacher attendance at under performing campuses to drop below 95%.
- The Superintendent shall not allow the school system to undermine the authority and autonomy of individual schools to implement changes designed to improve student outcomes.
- The Superintendent shall not allow low performing (D or F rated) campuses to have inequitable access to experienced and effective staff.
- The Superintendent shall not allow any campuses to not fully implement and maintain Professional Learning Communities.
- The Superintendent shall not allow adult convenience or preference to take priority over the academic progress of our students.
- The Superintendent shall not allow Improvement Required or Formerly Improvement Required campuses to have a principal with fewer than two years in-role experience.

Sample Constraint Progress Measures

- Number of campus restarts will increase from X to Y by Z.
- Number of students in low performing campuses will decline from X to Y by Z.
- Difference between the percent of all students in AP courses and the percent of African-American students in AP courses will decrease from X% to Y% by Z.
- Difference between the percent of all ISD students in AP courses and the percent of Hispanic students in AP courses will decrease from X% to Y% by Z.
- Number of TEA or school system program review exceptions will decrease from X% to Y% by Z.
- Number of TEA or school system audit exceptions will decrease from X% to Y% by Z.
- Number of major state and local test security violations will decrease from X% to Y% by Z.
- Number of student privacy violations will decrease from X% to Y% by Z.
- Fund balance ratio (percent of overall budget represented by the fund balance) will decrease/increase from X% to Y% by Z.
• Unrestricted fund balance ratio will decrease/increase from X% to Y% by Z
• Percentage of budget representing use of reserve funds to balance budget will decrease from X% to Y% by Z
• Percentage variance between final budget and actual will decrease from X% to Y% by Z
• Percent of PreK students enrolled in school system classrooms will increase from X% to Y% by Z
• Percent of PreK students enrolled in partnership classrooms will increase from X% to Y% by Z
• Annual percentage of Distinguished Teachers retained will increase from X% to Y% by Z
• Annual staff retention rate of Proficient I and higher teachers will increase from X% to Y% by Z
• Staff attendance rate will increase from X% to Y% by Z
• Percentage of Proficient I and higher-rated teachers leaving the school system due to dissatisfaction with school system policies/working conditions will decrease from X% to Y% by Z
• Percentage of students participating in extracurricular activities will increase from X% to Y% by Z
• Percentage of students absent for more than 10% of the days in a semester will decrease from X% to Y% by Z
• Percentage of students in out-of-school suspension or removed to alternative setting will decrease from X% to Y% by Z
• Percentage of students taught by a non-certified substitute teacher in a classroom with a vacancy for more than 20 days in semester one or 35 days in semester 2 will decrease from X% to Y% by Z
• Percentage of students responding positively to student survey about whether they are “feeling supported” will increase from X% to Y% by Z
• Percentage of elementary students participating in at least one co-curricular activity will increase from X% to Y% by Z
• Percentage of principal survey responses indicating they were able to select every member of their staff will increase from X% to Y% by Z
• Percentage of IR campuses with a Proficient 1 and above principal will increase from X% to Y% by Z
• Percentage of Proficient I and above teachers at IR campuses will increase from X% to Y% by Z
• Difference between the percentage of African-American/Hispanic students and the percent of African-American/Hispanic staff will decrease from X% to Y% by Z
• Percentage of parents who feel their involvement is welcome will increase from X% to Y% by Z
• Percentage of parents who feel they are treated courteously by teachers will increase from X% to Y% by Z
• Percentage and number of schools with active parent organizations will increase from X% to Y% by Z
Sample Theories of Action

**One Best School System:** If the district empowers individual educators to determine instructional materials and methods for their classes; and if the central administration directs all operational and budgetary functions; then teachers will be able to accomplish the Board's student outcome goals while central administration ensures that all operations remain within the Board's constraints.

**Managed Instruction:** If the district's central administration directs all instructional materials and methods; and if the central administration ensures that students experience consistency and quality of instructional delivery across all campuses; then the district, through the central administration, will be able to accomplish the Board's student outcome goals while operating within the Board's constraints.

**Earned Autonomy:** If the district's central administration directly administers some campuses and grants varying levels of autonomy to other campuses; and if the central administration clearly defines operational thresholds that deserve higher levels of autonomy; and if the central administration clearly defines the specific autonomies earned; and if campuses having earned autonomies agree to operate in pursuit of the Board's student outcomes goals while operating within the Board's constraints; then the district, directly and through autonomous campuses, will be able to accomplish the Board's student outcome goals while operating within the Board's constraints.

**Performance Management:** If the district focuses central administration on the most critical functions of campus accountability and HR support; and if the district provides differentiated paths of continuous improvement for all educators -- whether in administrative roles or classroom roles; and if the differentiated HR system methodically identifies paths for performance improvement, aligns educator incentives with student outcomes, and ensures that educator placement is a function of student needs rather than adult preferences; then the district, through its campuses, will be able to accomplish the Board's student outcome goals while operating within the Board's other constraints.

**System of Great Schools:** If the district devolves autonomy from the central administration to campuses; and if the district empowers parents to make choices; and if the district creates performance contracts with campuses; and if the district annually evaluates performance of and demand for high performing campuses; and if the district makes strategic decisions regarding growing access to high performing schools and addressing low performers; then campuses will be able to accomplish the Board's student outcome goals while operating within the Board's other constraints.

**Sample Superintendent Evaluation Template**

Because Superintendent performance is considered indistinguishable from school system performance, the Superintendent's annual evaluation is simply the amalgam of all monthly monitoring reports. A student outcome goal or constraint is considered met if a) the goal actual results meet or exceed the targets or b) at least 2/3rds of the respective goal progress measure (GPM) or constraint progress measure (CPM) actual results meet or exceed the targets. Overall Superintendent performance is met if at least 4/5ths of the goals and constraints are met.

Sample Monitoring Report

There are many different ways a monitoring report can appear. This sample is not intended to be a model; this is just one of many ways it could appear. Actual appearance will vary based on school system-specific factors. What will not vary is the minimum elements necessary for an effective monitoring report: 1) it identifies which student outcome goal or constraint is being monitored and on which date, 2) the GPMs/CPMs showing the previous three reporting periods, the current reporting period, the annual target, and the deadline target 3) the Superintendent's evaluation of performance (not meeting, approaching, meeting, mastering or whatever evaluation language the Superintendent and Board agree on), and 4) supporting documentation the Superintendent believes evidences their evaluation of performance or that describes corrective actions to be taken.

### Support Data

This is where information that supports the GPMs/CPMs belongs. In addition, any other information the Superintendent wants to provide to support the evaluation (in this sample report, it’s listed as “Approaching Goal” but it could be Compliant/Non-Compliant/Partially Compliant or whatever other descriptors the Board and Superintendent agree on) goes here. In the event that the Superintendent’s evaluation is anything other than, “Meeting Goal / Compliant”, it is reasonable for the Board to expect brief explanations for why the school system is not performing as intended, what the strategy (not necessarily a list of tactics -- that’s likely too much detail) for improving performance is, and the timeline for when the Superintendent expects to return to expected performance levels. It is strongly recommended that disaggregated data be included in the support data consistent with the Superintendent’s understanding of what the Board cares about.
Implementation Integrity Instrument

Student outcomes don't change until adult behaviors change. Starting with me.

These words describe the mindset adopted by those committed to using Lone Star Governance as their framework for improving student outcomes. School Boards use this Lone Star Governance instrument to self-evaluate their performance every three months. This provides a frequent and rational means of determining their growth -- their adult behavior change -- toward being intensely focused on the reason school systems exist: improving student outcomes.

Implementation Integrity Instrument Notes
**TEXAS FRAMEWORK: VISION**

**VISION 1:** The Board works collaboratively with the Superintendent to develop the vision and student outcome goals

<table>
<thead>
<tr>
<th>Does Not Meet Focus</th>
<th>Preparing To Focus</th>
<th>Approaches Focus</th>
<th>Meets Focus</th>
<th>Masters Focus</th>
</tr>
</thead>
<tbody>
<tr>
<td>0</td>
<td>1</td>
<td>4</td>
<td>12</td>
<td>15</td>
</tr>
</tbody>
</table>

**The Board does not meet focus if any of the following conditions are true:**

1. The Board does not have a vision.
2. The Board does not have goals.
3. The Board does not consistently distinguish between **inputs** (resources and activities invested in a particular program or strategy; usually knowable at the beginning of a cycle; a measure of effort applied), **outputs** (the result of a particular set of inputs; usually knowable in the midst of a cycle; a measure of the implementation of the program or strategy), and **outcomes** (the impact of the program or strategy; usually knowable at the end of a cycle; a measure of the effect on the intended beneficiary).

**The Board is preparing to focus if all of the following conditions are true:**

1. The Board has a Board-adopted vision statement.
2. The Board has Board-adopted goals.
3. The Board owned the vision development process while working collaboratively with the Superintendent.
4. The Board owned the goals development process while working collaboratively with the Superintendent.
5. The Board has adopted no fewer than 1 and no more than 5 goals. Three is the recommended number.

**And...**

1. Each goal describes a baseline (current state), a target (future state), a population (which students will be impacted), and a deadline (date by when the current state will equal the future state). (e.g. “[population]’s ability to demonstrate [measure] is currently at [baseline] and will be at [target] by [deadline]” or “The number of high performing campuses will increase from [baseline] to [target] by [deadline]’”)
2. The deadline for each goal to reach target is no fewer than 3 years away. No more than 5 years are recommended.
3. The Board has adopted an annual target for each goal in addition to its deadline target. These are not GPMs.

**And...**

1. The goals are all **student outcome goals** (they all describe what students know or are able to do) as distinct from adult inputs, adult outputs, student inputs, and student outputs.
2. All Board Members and the Superintendent agree that the student outcome goals are all **SMART** (specific, measurable, attainable, results-focused, time-bound), will challenge the organization, and will require adult behavior change.
3. The Board relied on a root cause analysis, comprehensive student needs assessment, and/or similar research-based tool to inform identification of and prioritization of potential student outcome goals.

**And...**

1. Students, families, teachers, and community members were involved in the vision and student outcome goals development process in such a manner that there is broad community acceptance of the Board’s vision and student outcome goals.
2. All Board Members have committed the vision and student outcome goals to memory and know, at all times, the current status of each student outcome goal.
**VISION 2:** The Board has adopted goal progress measures (GPMs) aligned to each student outcome goal

<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
**VISION 3:** The Board has adopted a vision for what student outcomes will be and has adopted constraints aligned with that vision.

<table>
<thead>
<tr>
<th>Does Not Meet Focus</th>
<th>Preparing To Focus</th>
<th>Approaches Focus</th>
<th>Meets Focus</th>
<th>Masters Focus</th>
</tr>
</thead>
<tbody>
<tr>
<td>The Board does not meet focus if any of the following conditions are true:</td>
<td>The Board is preparing to focus if all of the following conditions are true:</td>
<td>And... Each constraint describes a single operational action or class of actions the Superintendent may not use or allow. (e.g. &quot;Do not allow hiring criteria at low performing campuses to require less than 2 years of in-role experience and/or demonstrated effectiveness at improving student outcomes&quot; or &quot;Do not allocate resources/funds in a manner that disadvantages students in low performing campuses&quot; or &quot;Do not allow the number of students in low performing campuses to increase or remain the same&quot;)</td>
<td>And... All Board Members and the Superintendent agree that the constraints will challenge the organization, and will require adult behavior change. Separate from the constraints on the Superintendent's authority, the Board has adopted 3 to 5 self-constraints on its own behavior and self-evaluates against one of them each month.</td>
<td>And... References to research that suggests alignment with the vision are cited for constraints where appropriate. The Board, in collaboration with the Superintendent, has adopted one or more <strong>theories of action</strong> (high level strategic constraints to which all school system inputs and outputs must be aligned; they do not have CPMs) to drive overall strategic direction. Research has been cited for each theory of action. Students, families, teachers, and community members were involved in the vision and constraint development process in such a manner that there is broad community acceptance of the Board's vision and constraints.</td>
</tr>
</tbody>
</table>

The Board does not have a vision.

The Board does not have **constraints** (specific prohibitions on Superintendent authority that are aligned with the vision and grounded in community values).
### VISION 4: The Board has adopted constraint progress measures (CPMs) aligned to each constraint.

<table>
<thead>
<tr>
<th>Does Not Meet Focus</th>
<th>Preparing To Focus</th>

<th>Meets Focus</th>
<th>Masters Focus</th>
</tr>
</thead>
<tbody>
<tr>
<td>!</td>
<td>0</td>
<td>.5</td>
<td>1</td>
<td>4</td>
</tr>
</tbody>
</table>

### Does Not Meet Focus

The Board does not have **constraint progress measures** (CPMs) (specific graph-plottable indicators used to determine if the constraint is likely to be honored or not).

### Preparing To Focus

The Board is preparing to focus if all of the following conditions are true:

- The Board has Board-adopted CPMs for each constraint.
- The Superintendent owned the CPM development process while working collaboratively with the Board.
- The current statuses of the CPMs that were adopted are able to be updated multiple times during each school year.

### Approaches Focus

**And...**

Each CPM includes a baseline, a target, and a deadline. (e.g. "Percent of teachers teaching at low performing campuses who are first year teachers will decline from [baseline] to [target] by [deadline]" or "Percent of campuses funded using an equitable student-based budgeting formula will increase from [baseline] to [target] by [deadline]"

The Board has adopted no fewer than 1 and no more than 3 CPMs for each constraint.

The deadline for each CPM to reach target is no more than 5 years away. One to three year CPM deadlines are recommended.

The Board has adopted an annual target for each CPM in addition to its deadline target.

### Meets Focus

**And...**

All Board Members and the Superintendent agree that the CPMs are all SMART.

All Board Members and the Superintendent agree that the CPMs are all predictive of their respective constraints, and are influenceable by the Superintendent. Predictive suggests that there is some evidence of a correlation between the progress measure and the constraint. Influenceable suggests that the Superintendent has authority over roughly 80% of whatever the progress measure is measuring.

### Masters Focus

**And...**

Students, families, teachers, and community members were involved in the CPM development process in such a manner that there is broad community acceptance of the Board's CPMs.

The Board has adopted no fewer than 1 and no more than 3 Board self-constraint progress measures (SCPMs) for each of the self-constraints the Board adopted.
### TEXAS FRAMEWORK: ACCOUNTABILITY

**ACCOUNTABILITY 1:** The Board invests at least half of its time focusing on its vision and student outcome goals

<table>
<thead>
<tr>
<th>Does Not Meet Focus</th>
<th>Preparing To Focus</th>
<th>Approaches Focus</th>
<th>Meets Focus</th>
<th>Masters Focus</th>
</tr>
</thead>
<tbody>
<tr>
<td>0</td>
<td>1</td>

</tr>
</tbody>
</table>

**The Board does not meet focus if any of the following conditions are true:**

- The Board does not have student outcome goals, GPMs, constraints, CPMs, or annual targets.

The Board does not have a monitoring calendar (a Board-adopted multi-year schedule that describes the months during which student outcome goals, constraints, and progress measures are reported to the Board).

The Board does not track its use of time in Board-authorized public meetings (any non-closed meeting authorized by the Board or Board president including, but not limited to, Board workshops, Board hearings, Board committees. Some statutorily required hearings are exempted from this definition).

**The Board is preparing to focus if all of the following conditions are true:**

- The Board has a Board-adopted monitoring calendar.

The Board has received a monitoring report (a report that evidences to the Board whether or not reality matches the adopted student outcome goals, constraints, and progress measures). A monitoring report must contain 1) the goal/constraint being monitored, 2) the measures showing the previous three reporting periods, the current reporting period, and the annual and deadline targets, 3) the Superintendent’s evaluation of performance (not met, approaching, meeting, mastering), and 4) supporting documentation that evidences the evaluation and describes any needed next steps.

**And...**

- The Superintendent owned the monitoring calendar development process while working collaboratively with the Board.

The Board’s monitoring calendar spans no fewer than 18 months. The minimum recommended span is 24-36 months.

- Of the total minutes spent in Board-authorized public meetings, no fewer than 10% are invested in progress monitoring (a process that includes the Board receiving monitoring reports on the timeline indicated by the monitoring calendar, discussing them, and voting to accept or not accept them) or setting student outcome goals and GPMs.

And...

- Of the total minutes spent in Board-authorized public meetings, no fewer than 25% are invested in progress monitoring the Board’s student outcome goals or setting student outcome goals and GPMs.

- No more than two student outcome goals are monitored per month.

- No student outcome goals are monitored at least four times per year and every constraint is monitored at least once per year.

- Every student outcome goal is monitored at least four times per year and every constraint is monitored at least once per year.

- Of the total minutes spent in Board-authorized public meetings, no fewer than 50% are invested in progress monitoring the Board’s student outcome goals or setting student outcome goals and GPMs.

- The Board’s monitoring calendar spans across the Board’s student outcome goals’ 3 to 5 year deadlines.

**And...**

- The Board does not have student outcome goals, GPMs, constraints, CPMs, or annual targets.

- The Board does not have a monitoring calendar (a Board-adopted multi-year schedule that describes the months during which student outcome goals, constraints, and progress measures are reported to the Board).

- The Board does not track its use of time in Board-authorized public meetings (any non-closed meeting authorized by the Board or Board president including, but not limited to, Board workshops, Board hearings, Board committees. Some statutorily required hearings are exempted from this definition).

- Of the total minutes spent in Board-authorized public meetings, no fewer than 10% are invested in progress monitoring (a process that includes the Board receiving monitoring reports on the timeline indicated by the monitoring calendar, discussing them, and voting to accept or not accept them) or setting student outcome goals and GPMs.

**Participant Manual**

- Of the total minutes spent in Board-authorized public meetings, no fewer than 25% are invested in progress monitoring the Board’s student outcome goals or setting student outcome goals and GPMs.

- Of the total minutes spent in Board-authorized public meetings, no fewer than 50% are invested in progress monitoring the Board’s student outcome goals or setting student outcome goals and GPMs.

- The Board’s monitoring calendar spans across the Board’s student outcome goals’ 3 to 5 year deadlines.

- The student outcome goals, constraints, and annual targets have not been changed since the monitoring calendar was adopted unless 1) 24 months has passed, or 2) the goal/constraint has been met.
<table>

</thead>
</table>

**ACCOUNTABILITY 2:** The Board measures and communicates, but does not interfere in, progress toward the vision and student outcome goals.

**Does Not Meet Focus**

The Board does not meet focus if any of the following conditions are true:

- Any individual Board Member does not know whether or not the school system is in low performing status and, if it is, for how long.
- Any individual Board Member does not know whether or not there are low performing campuses and, if there are, how many.
- The Board does not schedule each student outcome goal to be progress monitored at least four times per year on its monitoring calendar.
- The Board does not schedule each constraint to be progress monitored at least once per year on its monitoring calendar.

**Preparing To Focus**

The Board is preparing to focus if all of the following conditions are true:

- The Board has been provided copies of -- but did not vote to approve / disapprove -- the Superintendent's plan(s) for implementing the Board's student outcome goals and ensured that the plan included both an implementation timeline and implementation integrity measures.
- The most recent Board self-evaluation took place no more than 12 months ago using this instrument or a research-aligned instrument.
- The most recent Superintendent evaluation took place no more than 12 months ago -- 18 if there has been a change of Superintendent.
- The most recent Board self-evaluation took place no more than 45 days prior to the most recent Superintendent evaluation.

**Approaches Focus**

And...

- The most recent Board self-evaluation evaluated the Board in part based on the results of student outcome goals.
- The most recent Superintendent evaluation evaluated the Superintendent in part based on the results of student outcome goals.
- All Board Members have completed a training that covered the state's accountability system and agree that they understand the system.
- The Board tracks the average annual cost of staff time spent on governance.

**Meets Focus**

And...

- The Superintendent's annual evaluation is based only on the Board-adopted student outcome goals and constraints, using data reported as scheduled via the Board's monitoring calendar.
- The Board considers Superintendent performance as indistinguishable from school system performance.
- The Board created a self-constraint concerning the cost of staff time spent on governance.

**Masters Focus**

And...

- The Board self-evaluates using this implementation integrity instrument quarterly.
- The Board modifies its student outcome goals, GPMs, constraints, CPMs, and monitoring calendar no more than once during any 12 month period. The recommended minimum amount of time between modifications is 24-36 months.
# TEXAS FRAMEWORK: STRUCTURE

**Structure:** The Board delegates to the Superintendent operational authority to accomplish the vision and student outcome goals

**The Board does not meet focus if any of the following conditions are true:**

- The Board has not arranged for any Board Member-led community engagement activities during the previous 12 month period beyond public comments during regularly scheduled Board meetings and/or statutorily required hearings.
- The Board has not publicly communicated the Board-adopted student outcome goals.

**The Board is preparing to meet focus if all of the following conditions are true:**

- The Board has a two-way communication system in place where Board Members, at least once per year, listen for and discuss the vision and values of their students.
- The Board has a two-way communication system in place where Board Members, at least once per year, listen for and discuss the vision and values of their families, staff, and community members.
- The Board has hosted a community meeting to discuss progress toward student outcome goals at each feeder pattern with low performing campuses during the previous 12 month period. Meetings to accomplish this objective do not have to be counted as part of the total of Board-authorized public meetings or minutes.
- The Board has provided time during regularly scheduled Board-authorized public meetings to recognize the accomplishments of its students and staff regarding progress on student outcome goals.

**And...**

- Board Members have hosted a community meeting to discuss progress toward student outcome goals at each feeder pattern with low performing campuses during the previous 12 month period. Meetings to accomplish this objective do not have to be counted as part of the total of Board-authorized public meetings or minutes.
- The Board has displayed and keeps updated the status and targets of all student outcome goals, and GPMs permanently and publicly in the room in which the Board most frequently holds regularly scheduled Board meetings.
- Board Members included students in at least one of the Lone Star Governance trainings during the previous 12 month period.
- Prior to being seated, all newly selected Board Members received training on Lone Star Governance from fellow Board Members on their Board or from a TEA-certified Lone Star Governance Coach.
## TEXAS FRAMEWORK: UNITY

**Unity:** The Board works collaboratively with the Superintendent to lead toward the vision and student outcome goals

**Does Not Meet Focus:**

- The Board does not meet focus if any of the following conditions are true:
  - The Board has not adopted policies that establish Board operating procedures.
  - The Board was not able to achieve a quorum for at least two Board-authorized public meetings during the previous 3 month period.
  - A Board Member voted on an item for which they had a conflict of interest, as defined by law, during the previous 3 month period.
  - Board Members serve on committees formed by the Superintendent or staff.
  - The Board has not voted to approve any Quarterly Progress Trackers.

**Preparing To Meet Focus:**

- Once annually, the Board affirms that it has reviewed all policies governing Board operating procedures.
- The Board has a policy that contains a template Ethics & Conflicts of Interest Statement and all Board Members have signed the statement during the previous 12 month period.
- All Members understand that if the Board has committees, their role is only to advise the Board, not to advise the staff.
- All Members understand that a Board officers’ role is to advise the Board, not to advise the staff.
- The Board is self-evaluating each quarter in pursuit of the continuous improvement timeline.

**Approaches Focus:**

- Attendance for all Board Members at Board-authorized public meetings was over 70% during the previous 3 month period.
- The Board was able to achieve a quorum at all Board-authorized public meetings during the previous 12 month period.
- The Board has set the expectation that information provided by the Superintendent to one Board Member is provided to all Board Members.
- The Board completed the most recent Quarterly Progress Tracker and voted to approve it.

**Meets Focus:**

- Attendance for all Board Members at Board-authorized public meetings was equal to or greater than 80% during the previous 3 month period.
- All Board Members have completed all statutorily required trainings.
- The Board completed the most recent Quarterly Progress Tracker and a super majority of the Board voted to approve it.
- All Board Members agree that they are responsible for the outcomes of all students, not just students in their region of the school system.

**Masters Focus:**

- The Board received a certificate of completion (all Board Members and the Superintendent attended the entirety of both days together) from TEA for the Lone Star Governance workshop.
- Each quarter, the Board unanimously agreed that all Board Members adhered to all policies governing Board operating procedures during the previous 3 month period.
- The Board completed the most recent Quarterly Progress Tracker and the Board unanimously voted to approve it.
- All Board Members and the Superintendent agree that none of the Board Members have given operational advice or instructions to staff members.

**Evaluation Notes**

The standard of evidence for items where Board action is required will be the minutes of the meeting during which the Board voted to take the described action. Where an opinion of the Board is required, a resolution adopted or vote passed by a majority of the Board will meet the standard of evidence. Any Board wanting an independent evaluation of its Quarterly Progress Tracker may request a review from TEA staff. When available, recordings of Board meetings may be used in the independent evaluation process. For decision-making purposes, TEA will rely on both the self-evaluation and TEA staff-led independent evaluation.
Glossary

**60x30TX:** The Higher Education Coordinating Board’s strategic plan to ensure that by 2030, at least 60 percent of Texans ages 25-34 will have a certificate or degree.

**Baseline:** Measure’s agreed starting point. Used for comparing and monitoring growth. Related: Deadline, Population, SMART, Target

**Board-authorized Public Meetings:** Any non-closed meeting authorized by the Board or Board president including, but not limited to, Board workshops, Board hearings, Board committees. Statutorily required employee-, student-, budget-, accountability-, and grievance-related hearings are exempt from this definition. Closed meetings, mandated annual team-building training, Lone Star Governance trainings, and Lone Star Governance related meetings -- where indicated in the Lone Star Governance instrument -- are exempt from this definition. Related: Board Work

**Board Work:** Items that are discussed and/or acted on during Board-authorized public meetings because either state or federal law/rule requires the Board to do so or because the items directly pertain to the Board's adopted student outcome goals, constraints, or progress measures. Items that are not legally required and that the Board has not designated as Board work through the Board's goals or constraints are, by default, Superintendent work. Related: Board-authorized Public Meetings

**Community Engagement:** Two-way stakeholder communication that is intentional, meaningful, and purposeful. Stakeholders include, but are not limited to, students, parents, residents, staff members, and business owners.

**Consent-eligible Items:** All items for Board consideration that may be placed by default on the Board's consent agenda. Examples: personnel actions, contract renewals, previous meeting minutes, policy updates, construction amendments, non-monitoring administrative reports, committee reports, enrollment updates, regular financial reports where financial activities remained within budgetary parameters, and any other item up for Board consideration. Related: Board-authorized Public Meetings, Board Work

**Constraint:** Specific prohibitions on Superintendent authority that are aligned with the vision and grounded in community values. Constraints are written as actions the Superintendent may not take and as such use negating language rather than permissive language. Related: Constraint Progress Measure, Theory of Action

**Constraint Monitoring:** The process of monitoring adherence to or progress toward the Board’s adopted constraints. Related: Constraint, Constraint Progress Measure, Progress Monitoring

**Constraint Progress Measures (CPMs):** Specific graph-plottable indicators used to determine if the constraint is likely to be honored or not. CPMs are SMART (include a baseline, target, population, and deadline), predictive of the constraint, influenceable by the Superintendent, and last one to three years. Related: Constraint, Goal Progress Measures, SMART

**Constraint Setting:** Selecting constraints, CPMs, theories of action, and/or targets. Related: Constraint, Constraint Progress Measure, Target, Theory of Action
**Criterion-referenced:** Assessment designed to cover a specified content domain (i.e., criterion) that is usually identified by content standards, with results given relative to the level of mastery of those standards. This is in contrast to norm-referenced. Example: STAAR. Related: Norm-referenced

**Deadline:** Date by when the measure will reach the target. Related: Baseline, Population, SMART, Target

**Formative:** Assessments in the midst of an instructional cycle that measure student learning, narrowly tailored to specific student expectations. Generally created and/or administered on an ongoing basis by teachers or campuses for the purpose of refining instructional practice. Example: quiz. Related: Interim, Output, Standardized, Summative

**Goal Monitoring:** The process of monitoring adherence to or progress toward the Board’s adopted student outcome goals. No fewer than 50% of the minutes spent in Board-authorized public meetings should be invested in goal monitoring or goal setting. Related: Board-authorized Public Meeting, Goal Progress Measure, Goal Setting, Progress Monitoring, Student Outcome Goal

**Goal Progress Measures (GPMs):** Specific graph-plottable indicators used to determine if the goal is likely to be met or not. GPMs are SMART (include a baseline, target, population, and deadline), predictive of the goal, influenceable by the Superintendent, and last one to three years. It is recommended that the Superintendent select one to three GPMs per Student Outcome Goal. Related: Constraint Progress Measures, Formative, Interim, Output, SMART, Student Outcome Goals

**Goal Setting:** Selecting student outcome goals, GPMs, and/or targets. No fewer than 50% of the minutes spent in Board-authorized public meetings should be invested in goal monitoring or goal setting. Related: Board-authorized Public Meeting, Goal Monitoring, Goal Progress Measure, Student Outcome Goal, Target

**Inputs:** Resources and activities invested in a particular program, process, or strategy; usually knowable at the beginning of a cycle; a measure of effort applied. In school systems, operational and instructional inputs are selected by the Superintendent. Related: Outcomes, Outputs

**Interim:** Assessments in the midst of an instructional cycle that measure a cross-section of knowledge or skills. Generally administered up to two times per year by campuses or school systems for the purpose of predicting summative performance. Example: benchmark. Example: benchmark. Related: Formative, Standardized, Summative, Output

**Leadership Evaluation:** Routine monitoring of Board and Superintendent performance conducted by the Board. Boards use the LSG Instrument to self-evaluate quarterly as a means of monitoring whether or not their adult behaviors are increasingly focused on improving student outcomes. Superintendent evaluation is indistinguishable from district evaluation. As such, the Superintendent’s evaluation is based only on accomplishment of the student outcome goals, avoidance of the constraints, and progress as determined by their respective progress measures. Related: Board Work, Constraint, Constraint Progress Measure, Goal Progress Measure, Student Outcome Goal

**Lone Star Governance (LSG):** The State of Texas’ continuous improvement framework for governing teams -- Boards and their Superintendents -- that choose to be intensely focused on improving student outcomes. Governing teams that implement the LSG framework with integrity understand that student outcomes don’t change until adult behaviors change. Starting with me.
**Monitoring Calendar:** A Board-adopted multi-year schedule that describes the months during which student outcome goals, constraints, and progress measures are reported to the Board and when leadership evaluations are conducted. Related: Constraint, Constraint Progress Measure, Goal Progress Measure, Leadership Evaluation, Monitoring Reports, Progress Monitoring, Student Outcome Goals

**Monitoring Report:** A report that provides evidence of progress to the Board regarding their adopted student outcomes goals. A monitoring report must contain 1) the goal/constraint being monitored, 2) the measures showing the previous three reporting periods, the current reporting period, and the annual and deadline targets, 3) the Superintendent's evaluation of performance (not met, approaching, meeting, mastering), and 4) supporting documentation that evidences the evaluation and describes any needed next steps. Related: Constraint, Constraint Progress Measure, Goal Progress Measure, Monitoring Calendar, Progress Monitoring, Student Outcome Goals

**Multi-Tiered Accountability:** A type of accountability system where several levels of performance are identified and where campuses and school systems receive the label that describes their performance. In Texas, those labels will be A, B, C, D, and F. Norm-referenced: An assessment designed to measure an assessment-taker’s traits relative to a group. Example: SAT. Related: Criterion-referenced, Standardized

**Norm-referenced:** An assessment designed to measure an assessment-taker’s performance relative to others who take the assessment. This is in contrast to criterion-referenced. Example: SAT. Related: Criterion-referenced

**Other Outcomes:** A measure of school system results that are not student results; outcomes that are not student outcomes. Examples: parent engagement, financial performance, staff retention. Related: Outcomes, Student Outcomes

**Outcomes:** The impact of the program or strategy; usually knowable at the end of a cycle; a measure of the effect on the intended beneficiary. Related: Inputs, Other Outcomes, Outputs, Student Outcomes

**Outputs:** The result of a particular set of inputs; usually knowable in the midst of a cycle; a measure of the implementation of the program, process, or strategy. In school systems, operational and instructional outputs are selected by the Superintendent. Example: interim assessment. Related: Formative, Inputs, Interim, Outcomes

**Pass/Fail Accountability:** A type of accountability system where all campuses and school systems that are not at the lowest levels of performance are labeled as passing and those at the lowest levels are labeled as not passing. In Texas, those labels are “Met Standard” and “Improvement Required (IR).” IR was initially calculated by looking at the 5th percentile, but then the cut score was fixed.

**Population:** The group of students who will be impacted and/or who are being measured. Related: Baseline, Deadline, SMART, Target Progress Monitoring: A process that includes the Board receiving monitoring reports on the timeline indicated by the monitoring calendar, discussing them, and voting to accept or not accept them. Related: Monitoring Calendar, Monitoring Report
**SMART:** An acronym, generally relating to goal setting, for specific, measurable, attainable, results-focused, and time-bound. At a minimum, goals that are SMART have a baseline, a target, a population, and a deadline. Related: Baseline, Deadline, Goal Setting, Population, Student Outcome Goals, Target

**Standardized:** An assessment where any aspect – format, procedures, or administration – is uniform across a group of test takers. Example: certain benchmarks, STAAR, Presidential Youth Fitness Test, UIL Concert & Sight-Reading Evaluations. Related: Criterion-referenced, Norm-referenced

**State of Texas Assessments of Academic Readiness (STAAR):** The STAAR is a criterion-referenced group of TEKS-based, standardized summative assessments that measure the extent to which Texas students have learned and are able to apply the knowledge and skills defined in the TEKS. Every STAAR question is directly aligned to the TEKS for the grade/subject or course being assessed. Related: Criterion-referenced, Standardized, Summative, Texas Essential Knowledge & Skills (TEKS)

**Student Outcomes:** A measure of school system results that are student results rather than adult results; outcomes that are a measure of what students know or are able to do. Example: summative assessment. Related: Other Outcomes, Outcomes, Student Outcome Goals

**Student Outcome Goals:** Student outcomes that describe what students know or be able to do -- as distinct from adult inputs, adult outputs, student inputs, and student outputs. A student outcome made SMART. In addition to being SMART, student outcome goals challenge the organization and require adult behavior change. It is recommended that the Board adopt three student outcome goals and that each one lasts three to five years. Related: Board Work, Goal Progress Measures, SMART, Student Outcomes, Summative

**Summative:** Assessments at the end of an instructional cycle that measure a cross-section of knowledge or skills over the course of an instructional cycle or school year. Generally administered at the end of a curricular unit, school year, or the transition to a new schooling experience by school systems or states for the purpose of evaluating student mastery of the content taught during the period. Related: Formative, Interim, Standardized

**Target:** Measure’s desired future state. Related: Baseline, Deadline, Population, SMART

**Texas Essential Knowledge & Skills (TEKS):** The TEKS describe specific knowledge or skills that every child, K-12, in Texas is expected to know and be able to do. Example: In 3rd grade math, students are expected to have memorized their times tables (Grade 3 Standard 4(F)). Related: State of Texas Assessments of Academic Readiness (STAAR)

**Theory of Action:** A research-based high level strategic constraint with which inputs and outputs must be aligned and which drives overall strategic direction. Unlike other constraints, the theory of action does not have CPMs. Related: Constraint

**Voting:** Debating and voting on any item. These activities are never a form of "monitoring."
## Workshop Pre Evaluation

### 1) How proficient are you at distinguishing between educational inputs, outputs, and outcomes?

<table>
<thead>
<tr>
<th></th>
<th>1 Not at all proficient</th>
<th>2 Somewhat proficient</th>
<th>3 Proficient</th>
<th>4 Very Proficient</th>
</tr>
</thead>
</table>

### 2) How often do you want your Board to review and discuss the measurable progress toward the Board's student outcome goals?

<table>
<thead>
<tr>
<th></th>
<th>1 Not At All Often (once per year)</th>
<th>2 Somewhat Often (twice per year)</th>
<th>3 (quarterly)</th>
<th>4 Often (every other month)</th>
<th>5 Very Often (monthly)</th>
</tr>
</thead>
</table>

### 3) How useful do you expect this workshop to be?

<table>
<thead>
<tr>
<th></th>
<th>1 Not At All Useful</th>
<th>2 Somewhat Useful</th>
<th>3 Useful</th>
<th>5 Very Useful</th>
</tr>
</thead>
</table>

### 4) How proficient are you with setting goal progress measure targets for student outcome goals?

<table>
<thead>
<tr>
<th></th>
<th>1 Not at all proficient</th>
<th>2 Somewhat proficient</th>
<th>3 Proficient</th>
<th>5 Very Proficient</th>
</tr>
</thead>
</table>

### 5) How likely are you to recommend this workshop to other Board Members and Superintendents?

<table>
<thead>
<tr>
<th></th>
<th>1 Not At All likely</th>
<th>2 Somewhat Likely</th>
<th>3 Likely</th>
<th>5 Very Likely</th>
</tr>
</thead>
</table>

### 6) Comments?
## Workshop Post Evaluation

### Post Evaluation

1. **How proficient are you at distinguishing between inputs, outputs, and outcomes?**
   - 1 Not at all proficient
   - 2 Somewhat proficient
   - 3 Proficient
   - 4 Very Proficient

2. **How often do you want your Board to review and discuss the measurable progress toward the Board’s student outcome goals?**
   - 1 Not At All Often (once per year)
   - 2 Somewhat Often (twice per year)
   - 3 (quarterly)
   - 4 Often (every other month)
   - 5 Very Often (monthly)

3. **How useful was this workshop to you?**
   - 1 Not At All Useful
   - 2 Somewhat Useful
   - 3 Useful
   - 4 Very Useful

4. **How proficient are you with setting goal progress measure targets for student outcome goals?**
   - 1 Not at all proficient
   - 2 Somewhat proficient
   - 3 Proficient
   - 4 Very Proficient

5. **How likely are you to recommend this workshop to other Board Members and Superintendents?**
   - 1 Not At All likely
   - 2 Somewhat Likely
   - 3 Likely
   - 4 Very Likely

6. **Comments?**
Student outcomes don't change until adult behaviors change.

Starting with me.
