Design. The district would also like to see the expansion of Rose City Summer Camp. #safeTISD is a continued enhancement of safety and security in four areas: policy/procedure, cyber-tech, hardening-personnel and social-emotional. The district is providing continuing education opportunities for staff and continued cooperation with agencies in support of school and public safety.

Subject: Celebrate Freedom Week

BACKGROUND INFORMATION

Celebrate Freedom Week is a week designed to emphasize the teaching of the country’s origins with an emphasis on the founding documents. The Texas Education Code (TEC §29.907) gives local boards the authority to determine which week of the school year that Celebrate Freedom week is incorporated into the curriculum.

In June of 2018, the Tyler ISD Board of Trustees determined Celebrate Freedom Week would be celebrated during the last full week of school.

ADMINISTRATIVE CONSIDERATION

Tyler ISD students spend the entire school year learning about the important founding documents, the people who settled and impacted the growth of this great country, the important symbols of America, and what American Freedom really means.

Celebrate Freedom Week is a culmination of the exceptional learning that has occurred all year. Every Tyler ISD student will celebrate with special emphasis about our nation’s founding documents of freedom - the Constitution, the Declaration of Independence, and the Bill of Rights.

There will be a different emphasis and theme each day with district activities and campus programs to compliment the week. Included in the week will be Art Contests. Art Contestant winners will be recognized at the June board meeting.

Subject: Depository Contract Extension

BACKGROUND INFORMATION

In May of 2013, the Board selected Southside Bank as the District depository bank after considering proposals submitted in the bid process. In May of 2015 and 2017, the Board approved extending the contract for additional two-year terms. Texas Education Code, Section 45.205 Subchapter G now allows districts to extend a depository contract for three additional two-year terms.

ADMINISTRATIVE CONSIDERATIONS

The District has been pleased with the service and interest rates received thus far from Southside Bank. Continuing the contract with Southside Bank is the most efficient alternative at this time.

ADMINISTRATIVE RECOMMENDATION

The administration recommends that the Board extend the depository contract with Southside Bank for another two years, from September 1, 2019, to August 31, 2021.

Subject: Microsoft Volume License Purchase

BACKGROUND INFORMATION

Tyler ISD utilizes Microsoft operating systems and software on all district computers and file servers. The district first purchased a volume license agreement in June 2010 and has continually maintained it. The volume license agreement (VLA) enables the district to supply the most current version of Microsoft products to our students and staff.

ADMINISTRATIVE CONSIDERATION

Since last year, Microsoft has made a significant change in their product licensing. The new M365 EDU A3 license model focuses on public cloud services and allows our district to take advantage of online resources such as Office365 while maintaining the on premise installations that we currently utilize. The new agreement model also comes at an increased cost of $30,385.30 per year.

The previous license model is no longer available and therefore Tyler ISD must move to the new model at this time. In order to move the renewal of this agreement into alignment with other annual technology contract renewals in September, we have requested a 15-month agreement. In subsequent years, this agreement will renew on a 12-month cycle due each September.

Funds are provided from the regular general fund operating budget.

ADMINISTRATIVE RECOMMENDATION

The administration recommends that the Board approve the purchase of a 15 month Microsoft Volume License Agreement M365 EDU A3 for $288,382.16 from SHI Government Solutions – State of Texas DIR Contract # DIR-TSO-4092.

SERVICE AGREEMENT
CAMP TYLER FOUNDATION AND
TYLER INDEPENDENT SCHOOL DISTRICT

THE STATE OF TEXAS §

COUNTY OF SMITH §

This Service Agreement is entered into on this, the ___ day of _______________, 2019, by and between the Camp Tyler Foundation, d.b.a. Camp Tyler Outdoor School (CTOS), a 501(c)(3) corporation of Whitehouse, Smith County, Texas, by and through its duly authorized agent, hereafter referred to as CTOS, and the Tyler Independent School District, by and through its duly authorized representative, hereafter referred to as TISD, both parties acting herein under the authority of their governing boards.

WITNESSETH:

Whereas, CTOS and TISD have collaborated to provide students of TISD with outdoor learning experiences since 1949, and seek to continue this collaboration under terms intended to benefit both parties and the children of Smith County, Texas.

Now, Therefore, in consideration of the service agreement described herein and for the good and valuable consideration, the receipt and sufficiency of which are expressly acknowledged hereby, it is agreed as follows:

Section 1. Services.

(a) Pursuant to the terms of this Agreement, CTOS shall provide, or shall cause to be provided, for the benefit of TISD, the services described in Schedule A, hereto (the “Services”), which schedule may be amended from time to time as provided in Section 8. The services specifically exclude all items mentioned in section 1(c) below. CTOS shall perform the Services in good faith in a commercially responsible manner and in accordance with applicable law and the express terms of this Agreement. Specifically, CTOS shall provide the Services with that degree of skill, attention and care that CTOS exercises with respect to furnishing comparable services to itself and to other ISDs. CTOS shall be an independent contractor as to TISD in performing Services hereunder and shall have exclusive authority to control and direct the performance of all Services performed by CTOS for TISD.

(b) TISD shall provide all data and information reasonably required by CTOS in connection with the performance of the Services at the time and in the manner, which CTOS reasonably requests. TISD shall also provide support described in Schedule B, hereto (the “Support”), which schedule may be amended from time to time as provided in Section 8. TISD shall provide the Support in good faith in a fiscally responsible manner and in accordance with applicable law and school district policy and the express terms of this Agreement.
(c) Pursuant this written agreement(s) with TISD, CTOS may provide certain outdoor learning experiences for grades other than the 5th grade. Such services are not included in the Services covered by this Agreement.

(d) This agreement does not grant exclusivity to TISD. CTOS may, at its discretion, deliver services to other clients simultaneously at Camp Tyler. TISD students will be separate from students of other ISDs in delivery of services for the purposes of day camp and night camp schedules. (i.e. When Tyler ISD students are being served in one part of the camp, students from a different ISD will be served in a different area.) Reasonable efforts will be made to keep the groups from encountering each other.

Section 2. Compensations.

(a) TISD will pay CTOS for the Services set forth in Schedule A, the amount of $215.00 for every TISD child and $125.00 for every adult, participating in the 5th grade residence camping program at Camp Tyler. TISD shall not be required to reimburse CTOS for costs and expenses incurred in connection with performance of the Services. CTOS agrees to invoice TISD monthly on the basis of actual camp attendance records for provided Services. TISD agrees to pay, by check or electronic bank transfer, all approved, verified, and audited invoices received on, or about, the first day of the following month (or within 30 days). If paid by check, then it will be mailed to Camp Tyler Foundation, P.O. Box 1916, Whitehouse, Texas 75791.

Section 3. Term and Termination.

(a) This agreement shall continue in effect until the end of the 2019-2020 school year.

(b) TISD agrees to send every 5th grade class of the 2019-2020 school year to CTOS for the Outdoor Learning Program addressed herein and agrees to make every reasonable effort to schedule the attendance of two classes at a time for each of two sessions per week, in a continuous fashion, excluding holidays, until all of the TISD 5th grade has been served. All classes will have attended by the end of the school year.

(c) This Agreement may be terminated by either party at any time upon written notice to the other party upon a material default in performance of its obligations under this Agreement, which has not been cured or settled by mediation within thirty (30) days after written notice thereof has been given to the other party. Material default will include a material change in the operations of the Tyler Independent School District and they can withdraw for financial reasons or if the operations of the Camp are not meeting the needs of the district and its students as determined by TISD.

Section 4. Limitation of Liability; Damages.

CTOS shall not be liable for failure to perform an obligation under this Agreement where such failure is due to fire, flood, severe weather, labor dispute, natural calamity, or acts of the government or for any other reason if resulting from conditions beyond the reasonable control of CTOS. If CTOS is liable for any failure to perform under this Agreement, CTOS’s liability to TISD is limited to correction of errors by rescheduling programs and the reimbursement to TISD of any monies paid by TISD to third parties, which are paid as a result of the error caused by CTOS. CTOS shall not be liable for any special, incidental, indirect or consequential damages, or cost or procurement of substitute goods or services,
arising out of or in connection with this Agreement or the Services provided hereunder. CTOS shall not be responsible for the personal property of students, teachers, or volunteers of TISD while they are at Camp Tyler. CTOS will be responsible for its employees, guests and others on the premises with their permission and their negligence that results in harm to the district, its employees or students.

Section 5. Notices.

Any notice, request, instruction or other communication at any time hereunder required or permitted to be given or furnished by either party hereto to the other shall be deemed sufficiently given or furnished if in writing and actually delivered to the party to be notified at the following addresses:

(a) for TISD:

Tyler Independent School District
1319 Earl Campbell Parkway
Tyler, Texas 75701
Attn: Superintendent

(b) for CTOS:

Camp Tyler Foundation
P.O. Box 1916
Whitehouse, Texas 75791
Attn: Executive Director

Section 6. Severability.

If any provision of this Agreement is held invalid, illegal or unenforceable by a court of competent jurisdiction, that provision shall not affect any other provision of this Agreement, which shall remain in full force and effect.

Section 7. Amendment.

No term or provision of this Agreement (including the Schedules attached hereto) may be modified, waived, or amended except by an agreement in writing, executed by each of the parties hereto.

Section 8. Entire Agreement.

This Agreement constitutes the entire understanding between the parties hereto, and supersedes any prior understandings or written or oral agreements between them.
Section 9. Waivers.

A failure or delay in exercising any right in respect of this Agreement will not be presumed to operate as a waiver, and a single or partial exercise of any right will not be presumed to preclude any subsequent or further exercise of that right or the exercise of any other right. Any modification or waiver of any provision of this Agreement shall not be effective unless made in writing. Any such waiver shall be effective only in the specific instance for the purpose given.

Section 10. Headings.

The descriptive headings contained in this Agreement are included for convenience of reference only and shall not affect in any way the meaning or interpretation of this Agreement.

Section 11. Counterparts.

This Agreement may be delivered in one or more counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

In Witness Whereof, TISD and CTOS have duly executed this Agreement effective as of the day and year first above written.

Subject: Memorandum of Understanding between Tyler Independent School District and Tyler Junior College for the LINK Transition Program

BACKGROUND INFORMATION

The district has a partnership with Tyler Junior College (TJC) that allows Tyler ISD students, who have completed credit requirements for graduation, are between the ages of 18 and 22 years of age and continue to need support with goals and objectives on their Individualized Education Plan (IEP), to utilize TJC’s facility for further vocational instruction on the TJC West campus as well as in the community. The purpose of the Memorandum of Understanding is to define the roles and responsibilities between TJC and the school district in the provision of instruction for qualified students. The Memorandum of Understanding also outlines the technology support each party will agree to provide.

ADMINISTRATIVE CONSIDERATION

Through the existing partnership between Tyler ISD and TJC, students in the LINK program are given the opportunity to receive instruction in a postsecondary atmosphere while concurrently receiving instruction on the IEP goals and objectives they need to master. The goal of the LINK Transition Program is to prepare students for adult life in an inclusive and age appropriate setting. They work with community businesses, colleges and adult agencies to help students graduate with a better quality of living in the areas of employment, independent living, personal recreation, adult education and community involvement.

ADMINISTRATIVE RECOMMENDATION

The administration recommends the adoption of this Memorandum of Understanding between Tyler Junior College and Tyler ISD for the LINK Transition Program for the 2019-2020 school year.

BACKGROUND INFORMATION

As part of the continuous improvement efforts, Tyler ISD has adopted the goal of ensuring 85% of 3rd grade students are on or above grade level by the Spring of 2021. The “Tyler Reads” initiative is one way in which Tyler ISD plans to achieve that goal. With high quality professional development through Voyager Sopris Learning – LETRS, each campus can develop and sustain school wide expertise in the science of teaching reading and assist teachers in implementing science-based reading instruction, to include phonemic awareness and phonics.

Research indicates that the absence of direct phonics and phonemic awareness instruction in early grades can significantly impede students’ reading growth in later grades. Yet, 60% of elementary teachers report they have never been trained in strategies for teaching phonemic awareness, phonics or vocabulary. Tyler ISD teachers report a lack of confidence in their ability to teach phonics and phonemic awareness to their students and Tyler ISD campus principals report a limited understanding of the reading instruction process, as well.

ADMINISTRATIVE CONSIDERATION

Voyager Sopris, Learning is an approved purchasing vendor and will provide the following services:

1. LETRS Training for every elementary principal and some district staff
2. LETRS Training for 5 to 6 key personnel on each campus.
