Subject: Visual and Performing Arts Update

BACKGROUND INFORMATION

The Tyler ISD Visual and Performing Arts department serves students, faculty, and the community in the areas of Visual Art, Band, Choir, Dance and Drill Team, Orchestra, and Theatre. The purpose of the Visual and Performing Arts Department is to provide students with the knowledge and skills necessary for cognitive, creative, and social growth; as well as the mastery of technical skills. Through the discipline of the arts, we are preparing students for the 21st Century.

Meaningful Visual and Performing Arts participation begins in early childhood and continues through formal education. Students have opportunities to experience and explore their own creative self-expression. Involvement in a systematic arts curriculum from early years of educations allows every child to experience a true and lasting love of the Arts. This exposure also promotes enjoyment, involvement, and support of the Arts, while providing the skills that nurture creative passion in students who may choose to later pursue careers in the Arts.

ADMINISTRATIVE CONSIDERATION

The Tyler ISD Visual and Performing Arts department has continued the rich tradition of high quality programs and fine arts opportunities for students. Collaborative relationships with community organizations and individuals is a high priority to further the arts in Tyler ISD, and the City of Tyler. Academic competitions boost the confidence and the morale of the students, while challenging them to give their best effort. Competitions inspire children to learn more about math, science or any other subject, as well as serve as a great tool in preparing students for their career preferences later in life. Subject: District Calendar for the 2020-2021 School Year

BACKGROUND INFORMATION

The Tyler Independent School District annually adopts the calendar for the following school year. The 2020-2021 calendar is consistent with all requirements set forth by the Texas Education agency and is designed to satisfy the instructional minutes requirement of House Bill 2610. In addition to the traditional 176 day instructional calendar, the calendar committee constructed a 180 day instructional calendar as an option for pursuing additional funding support provided by HB 3, 86th Legislative Session designed to address the issue of the summer slide. Both calendars satisfy the Texas Education Agency’s testing calendar requirements for STARR/EOC and TAKS testing dates. Per HB 2610, bad weather days are not reflected for students because the required number of instructional minutes has been met to allow the district to bank bad weather days.

ADMINISTRATION CONSIDERATION

In cooperation with community members, businesses, parents, and staff representatives on the District Planning Committee (DPC), the district recommends the proposed school calendars. The focus of the calendar continues to be what is best instructionally for successful student outcomes with community and staff considerations included.

ADMINISTRATION RECOMMENDATION

The Administration recommends the Board approve one of the proposed District calendars for 2020-2021.

(LOCAL) Policy Comparison Packet

This packet is generated by an automated process that compares the updated policy to the district’s current policy as found in TASB records.

In this packet, you will find:

- Policies being recommended for revision (annotated)
- New policies (not annotated)

Policies recommended for deletion are not included. If you want to include the text of these policies in the information given to the Board, you may download them from Policy On Line.

Annotations are shown as follows.

- **Deletions** are shown in a red strike-through font: deleted text.
- **Additions** are shown in a blue, bold font: new text.
- Blocks of text that have been moved without alteration are shown in green, with double underline and double strike-through formatting to distinguish the text’s destination from its origin: moved text becomes moved text.
- **Revision bars** appear in the right margin, as above.

**Note:** While the annotation software competently identifies simple changes, large or complicated changes—as in an extensive rewrite—may be more difficult to follow. In addition, TASB’s recent changes to the policy templates to facilitate accessibility sometimes makes formatting changes appear tracked, even though the text remains the same.

For further assistance in understanding policy changes, please refer to the explanatory notes in your Localized Policy Manual update packet or contact your policy consultant.

If the Superintendent determines that there is a need to reduce personnel costs, the Superintendent shall develop, in consultation with the Board as necessary, a plan for reducing costs that may include one or more of the following:

- Salary reductions [see DEA];
- Furloughs [see DEA];
- Furloughs, if the District has received from the commissioner of education certification of a reduction in funding under Education Code 42.009 [see CBA and DEA];
- Reductions in force of contract personnel due to financial exigency, if the District meets the standard for declaring a financial exigency as defined by the commissioner [see CEA and provisions at Reduction in Force Due to Financial Exigency, below];
- Reductions in force of contract personnel due to program change [see DFFB]; or
- Other means of reducing personnel costs.

A plan to reduce personnel costs may include the reduction of personnel employed pursuant to employment arrangements not covered at Applicability, below.

- See DCD for the termination at any time of at-will employment.
- See DFAB for the termination of a probationary contract at the end of the contract period.
- See DFCA for the termination of a continuing contract, if applicable.
- See DCE for the termination at the end of the contract period of a contract not governed by Chapter 21 of the Education Code.

The following provisions shall apply when a reduction in force due to financial exigency requires:

1. The nonrenewal or termination of a term contract;
2. The termination of a probationary contract during the contract period; or
3. The termination of a contract not governed by Chapter 21 of the Education Code during the contract period.
Definitions

Definitions used in this policy are as follows:

1. "Nonrenewal" shall mean the termination of a term contract at the end of the contract period.

2. "Discharge" shall mean termination of a contract during the contract period.

General Grounds

A reduction in force may take place when the Superintendent recommends and the Board adopts a resolution declaring a financial exigency. [See CEA]-A determination of financial exigency constitutes sufficient reason for nonrenewal or sufficient cause for discharge.

Employment Areas

When a reduction in force is to be implemented, the Superintendent shall recommend the employment areas to be affected.

Employment areas may include, for example:

1. Elementary grades, levels, subjects, departments, or programs.

2. Secondary grades, levels, subjects, departments, or programs, including career and technical education subjects.

3. Special programs, such as gifted and talented, bilingual/ESL programs, special education and related services, compensatory education, or migrant education.

5. Counseling programs.

7. Nursing and other health services programs.

8. An educational support program that does not provide direct instruction to students.

2. Applied on a District-wide or campus-wide basis (e.g., “the counseling program at [named elementary campus]”).

The Board shall determine the employment areas to be affected.

The Superintendent or designee shall apply the following criteria to the employees within an affected employment area when a reduction in force will not result in the nonrenewal or discharge of all staff in the employment area. The criteria are listed in the order of importance and shall be applied sequentially to the extent necessary to identify the employees who least satisfy the criteria and therefore are subject to the reduction in force. For example, if all necessary reductions can be accomplished by applying the first criterion, it is not necessary to apply the second criterion, and so forth.

1. Qualifications for Current or Projected Assignment: Certification, multiple or composite certifications, bilingual certification, licensure, endorsement, and/or specialized or advanced content-specific training or skills for the current or projected assignment.

2. Performance: Effectiveness, as reflected by the:
   a. The most recent formal appraisal and, if available, consecutive formal appraisals from more than one year [see DNA]; and any
   b. Any other written evaluative information, including disciplinary information, from the last 36 months.

If the Superintendent or designee at his or her discretion decides that the documented performance differences between two or more employees are too insubstantial to rely upon, he or she may proceed to apply the remaining criteria in the order listed below.

3. Extra Duties: Currently performing an extra-duty assignment, such as department or grade-level chair, band director, athletic coach, or activity sponsor.

4. Professional Background: Professional education and work experience related to the current or projected assignment.

5. Seniority: Length of service in the District, as measured from the employee’s most recent date of hire.
The Superintendent shall recommend to the Board the nonrenewal or discharge of the identified employees within the affected employment areas.

After considering the Superintendent’s recommendations, the Board shall determine the employees to be proposed for nonrenewal or discharge, as appropriate.

If the Board votes to propose nonrenewal of one or more employees, the Board shall specify the manner of hearing in accordance with DFBB(LOCAL).

If the Board votes to propose discharge of one or more employees, the Board shall determine whether the hearing will be conducted by a TEA-appointed hearing examiner [see DFD] or will be a local hearing under Education Code 21.207 [see DFBB].

The Superintendent or Designee shall provide each employee written notice of the proposed nonrenewal or discharge, as applicable. The notice shall include:

1. The proposed action, as applicable;
2. A statement of the reason for the proposed action; and
3. Notice that the employee is entitled to a hearing of the type determined by the Board.

An employee who has received notice of proposed nonrenewal or discharge may apply for available positions for which he or she wishes to be considered. The employee is responsible for reviewing posted vacancies, submitting an application, and otherwise complying with District procedures.

If the employee meets the District’s objective criteria for the position and is the most qualified internal applicant, the District shall offer the employee the position until:

1. Final action by the Board to end the employee’s contract, if the employee does not request a hearing.

In years that a physical examination is not required, the student shall complete a medical appraisal form. A student may be required to have a physical examination based on answers to the appraisal form.

The District may provide additional screening as District and community resources permit.

Parents of students identified through any screening programs as needing treatment or further examination shall be advised of the need and referred to appropriate health agencies.

A school nurse or administrator who discovers or becomes aware that a child enrolled in a District elementary school has lice shall provide written or electronic notice to parents within the time frames prescribed in law.
Threat Assessment and Safe and Supportive Team

In compliance with law, the Superintendent shall ensure that a multidisciplinary threat assessment and safe and supportive team is established to serve each campus. The team shall be responsible for developing and implementing a safe and supportive school program at each campus served by the team and shall support the District in implementing its multi-hazard emergency operations plan.

Training

Each team shall complete training provided by an approved provider on evidence-based threat assessment programs.

Imminent Threats or Emergencies

A member of the team or any District employee may act immediately to prevent an imminent threat or respond to an emergency, including contacting law enforcement directly.

Threat Assessment Process

The District shall develop procedures as recommended by the Texas School Safety Center. In accordance with those procedures, the threat assessment and safe and supportive team shall conduct threat assessments using a process that includes:

1. Identifying individuals, based on referrals, tips, or observations, whose behavior has raised concerns due to threats of violence or exhibition of behavior that is harmful, threatening, or violent.

2. Conducting an individualized assessment based on reasonably available information to determine whether the individual poses a threat of violence or poses a risk of harm to self or others and the level of risk.

3. Implementing appropriate intervention and monitoring strategies, if the team determines an individual poses a threat of harm to self or others. These strategies may include referral of a student for a mental health assessment and escalation procedures as appropriate.

For a student or other individual the team determines poses a serious risk of violence to self or others, the team shall immediately report to the Superintendent, who shall immediately attempt to contact the student’s parent or guardian. Additionally, the Superintendent shall coordinate with law enforcement authorities as necessary and take other appropriate action in accordance with the District’s multihazard emergency operations plan.

For a student the team identifies as at risk of suicide, the team shall follow the District’s suicide prevention program.
For a student the team identifies as having a substance abuse issue, the team shall follow the District’s substance abuse program.

### Training

The District shall provide training in trauma-informed care to District educators as required by law. The District improvement plan shall specify required training for any other District employees as applicable.

### Annual Report

The District shall provide an annual report to the Texas Education Agency on the number of employees who have participated in trauma-informed care training.

Records may be reviewed in person during regular school hours without charge upon written request to the records custodian. For in-person viewing, the records custodian or designee shall be available to explain the record and to answer questions. The confidential nature of the student's records shall be maintained at all times, and records to be viewed shall be restricted to use only in the Superintendent's, principal's, or school counselor's office, or other restricted area designated by the records custodian. The original copy of the record or any document contained in the cumulative record shall not be removed from the school.

Copies of records are available at a per copy cost, payable in advance. Copies of records must be requested in writing. Parents may be denied copies of records if they fail to follow proper procedures or pay the copying charge. If the student qualifies for free or

If a hearing is requested, it shall be held within ten District business days after the request is received.

Parents shall be notified in advance of the date, time, and place of the hearing. An administrator who is not responsible for the contested records and who does not have a direct interest in the outcome of the hearing shall conduct the hearing. The parents shall be given a full and fair opportunity to present evidence and, at their own expense, may be assisted or represented at the hearing.

The parents shall be notified of the decision in writing within ten District business days of the hearing. The decision shall be based solely on the evidence presented at the hearing and shall include a summary of the evidence and reasons for the decision. If the decision is to deny the request, the parents shall be informed that they have 30 District business days within which to exercise their right to place in the record a statement commenting on the contested information and/or stating any reason for disagreeing with the District's decision.

2. 15 hours of time during a one-month period.

In the event of a catastrophe, as defined by law, affecting the District, the Board delegates to the Superintendent the authority to suspend the applicability of Government Code Chapter 552 to the District for the period of time permitted by law and provide the required notices to the attorney general and public. The Board shall approve any extension of an initial suspension period.
