Subject: Teacher Incentive Allotment Plan Application

BACKGROUND INFORMATION

The Teacher Incentive Allotment (TIA) is a key part of House Bill 3, dedicated to recruiting, supporting, and retaining highly effective teachers in all schools, with particular emphasis on high needs and rural schools. Districts that choose to participate are charged with developing local teacher designation systems that measure teacher effectiveness based, at a minimum, on both teacher observation and student growth data. These systems must be submitted to the Texas Education Agency (TEA) for approval and undergo a data validation process, which will be conducted by Texas Tech University.

ADMINISTRATIVE CONSIDERATION

Tyler ISD is in the process of becoming a Cohort C district for the Teacher Incentive Allotment program through TEA and House Bill 3. In addition to helping attract and keep effective educators in the classroom, implementing this system will permit Tyler ISD to identify the more effective educators and provide incentives for them to teach at the most challenging campuses, increasing the equitable distribution of effective educators.

ADMINISTRATIVE RECOMMENDATION

The administration recommends the Board approve the Tyler ISD Teacher Incentive Allotment plan application for submission to TEA for ratification.
